This bill should be put before the largest pool of eligible Oregon voters possible. A quarter million of us signed a petition to prevent this tax hike being passed without a vote from the citizens of Oregon. Now moving this bill to an earlier election cycle is a clear attempt to ignore the will of the people and force through legislation that only the lawmakers want. It is your job as representatives of the people to hear and respond to their will on these matters. Oregonians, by and large, do NOT approve of a hike on gas taxes. If you truly serve to represent the people of our great State, you will vote NO.

Thank you,
