Measure, Appointment or SB1599
Topic:

I request that this bill to fail. Oregon Voters wanted this bill to be voted on, in the November election, where more voters will cast their ballots. The petition I signed was to have this decided by the voters in the November election. Changing that voting date will undermine the will of the voters in the State of Oregon. Please vote no on this bill and allow this to be voted on, in the November election as the petitioners wanted.
