Committee: Joint Special Committee On Referendum Petition
2026-302
Measure, Appointment or
Topic: SB1599

I signed this petition to allow the voters decide on the gas tax. The petition that I signed said that the voters would decide on this referendum in the November 3rd 2026 election. This date would allow the most voters to decide the outcome. If you change it to the primary election, this could have a severe impact on what the voters wanted, who signed the petition. Please vote in accordance to the will of the people and have this referendum decided in the November election
