Vote No on SB1599. Oregonians have gathered together in Great Numbers to express their opposition to SB1599. It's time to listen, because you have not been accountable towards how our Taxes have been spent. Our roads are terrible and there has been no new roads to handle heavy traffic. But let's keep spending on creating more density in our city, so we can tax our cars from traveling on disintegrating highways, because the road repair is done poorly.

I ask SB1599 be voted in November, so that more Voters will set an example of showing what Oregonians want in Oregon, without Political Party. This is a no Brainer of whether you want to be taxed or not.

We vote NO, on SB 1599  
Sincerely, Debbie Phillips
