Measure, Appointment or Topic: SB1599

I am a D in Senator Golden's district and I oppose SB1599 which would effect a change in the scheduled election from November to May.

The Legislature should be encouraging as many members of the public as possible to weigh in on the matter to determine if the speed of the signature gathering truly reflects the opinion of the majority of Oregon's regular voters. Including voters who might not otherwise participate due to the limited nature of a primary election.
