Measure, Appointment or SB1599
Topic:

I have lived in Oregon all of my 82 years. In the past few years I have felt, for the first time, that the Oregon Legislature was totally "out of tune" with Oregon voters and was/is using every maneuverable agenda available to promote ridiculous legislation that perpetuates or expands the liberal programs that are encouraging businesses

and families to leave this state. This proposed measure is just another example of the cancer eating Oregon's future away. Obviously, the voters have spoken loudly that they don't want additional gas taxes. Yet, the liberal legislative branches are trying to find any and every approach possible to overturn what the majority of voters obviously want.

Very sadly, I have lost all confidence in the leadership of Oregon and clearly understand why families and businesses are leaving the state.
