Committee: Joint Special Committee On Referendum Petition  
2026-302

Measure, Appointment or Topic: SB1599

I oppose this measure. Regardless of whether the 2025 revenue approach for ODOT was the best option for the state, one reasonable option among many, or a terrible option, Oregon law now places this in the hands of the voters and this must be done in the manner that matches the petition: namely, this vote must occur on the Nov 2026 ballot. The sooner we can stop with transparent political gamesmanship in Salem, the faster we can \*all\* work together to get the state back on track. Vote no on SB1599 and let's focus our attention together on new measures to stabilize the state budget.
