On Behalf Of:

Committee: Joint Special Committee On Referendum Petition  
2026-302

Measure, Appointment or Topic: SB1599

Those who signed the referendum signed for this to be on the November ballot. We signed what the Secretary of State agreed to. If legislators change what 250,000 people signed you're taking away the process of referendum from the people; it's original intent. Do not change what was agreed to.
