Committee: Joint Special Committee On Referendum Petition  
2026-302

Measure, Appointment or  
Topic: SB1599

The people have spoken. We want to vote on the gas tax and we want to vote on it in November. Stop playing politics and let the process play out as it should. As a registered Democrat for over 40 years I am embarrassed not only for you but of you for this ridiculous attempt to protect Democratic Politicians from facing the circumstances of their poor choices.
