Measure, Appointment or  
Topic: SB1599

My family, friends, coworkers, neighbors, & social media partners ALL OPPOSE moving the election date for the parts of Chapter 1, Oregon Laws 2025 (special session) referred by Referendum Pet. 2026-302. In fact, it should be dropped, & ODOT's budget should be reallocated to take care of priorities FIRST, such as snowplowing, fixing potholes, landslides, etc. Stop the wasteful travel junkets, the fraud, the expenses for out of state government employees, & the "Harm Reduction" costs, which allow users to more easily keep using illegal drugs!
