At the very least, this bill should be on the November ballot for legitimately registered Oregon voters to have their say. At this point, I see no legitimate reason for this to be passed. Doing so will only encourage even more TAXPAYERS to move out of state! As a Native Oregonian, I am appalled at the mess those who have been elected to REPRESENT US, have created. This is not my grandparents' Oregon. I can only imagine they're turning over in their graves at the mess created by those who spend our tax dollars to kill unborn babies.
