

Submitter: Liz Kee  
On Behalf Of: Fed up residents  
Committee: Joint Special Committee On Referendum Petition  
2026-302  
Measure, Appointment or Topic: SB1599

I've been a life long registered democrat, but I've had about enough of being taxed to death. Stop trying to get creative with new ways to tax us and get to the business of actually managing the state. Your first step is to quit trying to manipulate this and let it go to vote in November as specifically outlined in the petition.

Then get to work on keeping businesses and jobs in the state instead of driving them out.
