We are strongly opposed to putting this to vote in May. We need to put this to vote on the ballot in the November election as it was supposed to be.

I have lived here all my life and have never seen such a disregard in Salem for those who put you all in office and pay your salaries. Our voice is the only voice and you need to listen to it.

We can afford to pay higher taxes and to have those taxes wasted on things that do not serve the greater good of Oregonians. This vote needs to be on the November ballot as was the original plan. Don't silence us!
