Committee: Joint Special Committee On Referendum Petition  
2026-302  
Measure, Appointment or SB1599  
Topic:

The people of Oregon have spoken numerous times regarding the raising of our taxes. As elected, paid representatives of the people, it is your duty to listen to and obey the will of the people you represent whether they voted for you or not.

The 250,000 Oregon residents who signed the petition did so, knowing and believing that they would have the opportunity to vote on that subject in the NOVEMBER election, not the May primaries or any Special Election. Now, do your jobs and stop committing fraud on the State of Oregon's dime.
