This bill is disgustingly sneaky and I am appalled by the bold move from our governor. Shame on you for not listening to the people that oppose this outrageous bill, adding more taxes to what we already pay. Where did all the other money go for the maintenance of our roads, what did ODOT do with the allocation of funds? We need more responsibility in the organization of our tax dollars and STOP the greed already. Share love and understanding and stop the hate. Please no more taxes!
