Vote NO on this bill.

The people have acted and spoken to put this government in check. Now let us all vote in November when more people are likely to turn out so that we can repeal the largest tax hike ever placed on Oregonians.

We signed a petition for the general election. It was on the petition sheets. Let that stand as is. And yes, every single Democrat that ignored the multitudes should lose their seat for taxation abuse of the working class.

I, and hundreds of thousands of others, look forward to voting on this in November.

Listen to your constituents. Vote NO on SB 1599.
