

Submitter: Christine E  
On Behalf Of:  
Committee: Senate Committee On Health Care  
Measure, Appointment or Topic: SB1598

Oregon Legislature ~

I very strongly oppose 1598.

It is paramount that this NOT pass. It removes bodily autonomy. It removes my own medical decision making and indeed, unchecked authority into the hands of those who do not have the information necessary to make medical decisions for me or my family, or any person.

Please remember the utter and tragic outcome of this from Covid. Please don't repeat those horrible mistakes.

Thank you, Christine B
