Committee:	Joint Special Committee On Referendum Petition 2026-302
Measure, Appointment or Topic:	SB1599

Please do not move this important measure to the mostly unattended May ballot. The point of having it in November is to have more Oregonians voices heard and have it at the same time as those behind it are on the ballot. Odot has been poorly ran far too long, let's actually see if by having this consequential vote be on the ballot with those in charge is enough to frustrate Oregonians into actually changing the way this State has been mismanaged for decades.
