Members of the Joint Special Committee on Referendum Petition 2026-302

I strongly urge you to vote no on SB1599.

Over 250,000 Oregon voters voted to put this referendum up for a vote with the assumption that it would follow the normal process and be placed on the November of 2026 ballot. Moving this to the May primary violates the intent of the referendum and continues the political game playing that we voters despise.
