I am part of the state of Oregon people who signed the referendum to put Kotek's tax bill to the people for a vote in November. I am very against SB 1599 to move the vote to May. We the people are not stupid. She doesn't want to be running with her failed initiatives on the same ballot. She also is trying to put it on a ballot that has smaller turn out of voters. The people have spoken, the referendum said November, it needs to stay as a vote in November! Vote No on SB1599.
