Committee: Joint Special Committee On Referendum Petition  
2026-302  
Measure, Appointment or  
Topic: SB1599

Honorable Committee Members: I signed the petition to put the gas tax on the November ballot. Changing the ballot date is a violation of the rules and a breach of trust. I will financially support any litigation brought if the legislature decides to move the ballot date.

Please support the will of the people by honoring the referendum system. Let the vote proceed in November. Please.

Thank you for your consideration.
