Measure, Appointment or Topic:

SB1598

This bill shift authority from families, parents, individuals, doctors, and legislators to unelected bureaucrats, and uses taxpayer funding to do it. This is the opposite kind of progress we need.

SB 1598

Would create Automatic Mandates for school attendance,

Forced Compliance with statewide medical orders,

Mandates Compels public programs and insurance to pay

Overrides Doctors' ability to make patient-specific medical decisions

Our families oppose this bill. We need more sovereignty over bodies and choices, not less
