Committee: Joint Special Committee On Referendum Petition  
2026-302

Measure, Appointment or  
Topic: SB1599

I oppose this Bill and urge all Oregon legislators and state leadership to recognize that this is a (fairly obvious) attempt to thwart the will of the hundreds of thousands of Oregonians who lawfully utilized the referendum process to force this issue to a popular vote in November. The integrity of the democratic process is at risk here.
