2026-302

Measure, Appointment or  
Topic: SB1599

I oppose this but would support a bill to have a forensic accountant look at Oregon Government Spending over the last 10 years to see where our money is actually going. I do not feel it is a coincidence that democratic fund raising is at an all-time low after the elimination of multiple federal organizations. We need to get spending under control and stop fleecing the populace for pet projects and likely fraudulent activities.
