I find it very threatening that Tina Kotek only wants to take more and more from Oregon tax payers. The things that she has gotten away with people have been convicted and gone to prison for. She's a slum Lord trying to control the entire state and threatened those that won't Neal to her. She should be fired, fined, and imprisoned for the complete atrocities she has committed on Oregonian's. People can't live in Oregon anymore with the cost of living constantly going up and wages never increasing enough.
