Measure, Appointment or  
Topic: SB1599

SB1599 is a continuing attempt to stop the will of the people of all parties. There were 250000 signatures on the recall petition from all parties not just Republicans. For the legislature now attempt to thwart the vote to an election historically with low turnout is deceitful. The voters have spoken and want to vote on the referendum in November when Oregonians will make their voice heard.
