This tax bill is criminal on its face and you are so desperate for it to pass that you're willing to pull it forward to the May 2026 Special Election to push it through, knowing that the Special Election has historically been an election with minimal turnout. Oregonians are sick and tired of being taxed. We are sick of being gerrymandered into districts that violate ORS. This tax is especially aggrious because it is regressive and will impact those Oregonians who can least afford it, who must drive long distances to get to work, who are already taxed to the point of breaking. Every democrat in the legislature is guilty of cheating, guilty of dirty voter rolls, and guilty of illegal ballot harvesting beyond immediate family as is stipulated.

When will you ever become tired of the cheating? How can you look at yourselves in the mirror and feel good about the rampant cheating. YOU HAVE NO HONOR! You swore to uphold the US and Oregon Constitutions both at your swearing in upon taking office, or when you enlisted in the armed services. Those oaths you took still have hold upon you.
