Committee:	Joint Special Committee On Referendum Petition 2026-302
Measure, Appointment or Topic:	SB1599

The citizens of Oregon approved the referendum petition 2026-302 for the November election with their signatures. This was after this legislative assembly rammed through a tax they were overwhelmingly against. Now that same legislative assembly want to usurp the will of the Oregon citizens again?? Absolutely no on this bill it is an insult. Who do you represent??
