On Behalf Of:	The Quarter of a Million Who Signed The Referendum
Committee:	Joint Special Committee On Referendum Petition 2026-302
Measure, Appointment or Topic:	SB1599

I urge you to reconsider any action that would change the scheduled timing of a voter-initiated measure. A quarter of a MILLION individuals supported placing this measure on the November 2026 ballot. Your constituents value accountability and transparency in the legislative process, and changes to the timing of a referendum raises concerns about whether their participation is being respected. Maintaining the originally scheduled date will ensure that public involvement and trust are preserved. Please respect your constituents and vote NO on SB1599!
