To Whom it concerns,

Dear sirs, please do this in accordance with the will of the people. Signatures were gathered to put the transportation bill on the ballot in November. Do not go messing with things, being deceitful, and try to slip it in the May ballot. If having this bill on the November is bad for the governors reelection, then that is not the peoples fault. She is the one who started this mess, therefore, she can deal with the fallout. Do not pass bill SB 1599, making it possible to move the transportation bill to the May 19th, 2026 election.

Thank you.

Roger
