Measure, Appointment or Topic: SB1599

This bill is an attempt to circumvent the will of Oregonians. All the signatures gathered were for a November vote on this issue not a May vote.

Do the politicians in Salem forget who they represent? This bill should have never been drafted. It is a slap in Oregons face that will not be forgotten.

I was born in Portland some 68 years ago. My parents were both educators. Oregon was a great state back then. It can be again! Don't put Oregonians in a place where "Poverty with a view" comes to mind when they think of home.
