Measure, Appointment or Topic: SB1599

Put this measure on the ballot now and stop playing games! The dishonest behavior of trying to put off measures so they will appear when there is a lower turnout it downright evil and there is no excuse for it. The corruption and underhanded politics in Oregon need to stop. I have never joined a party and never will because of the games played. In particular I find the democrats in this State to be so disrespectful, dishonest and underhanded and it's shameful. No one wants or can afford this tax and it's time you learned how to balance a budget and practice fiscal responsibility. The bottomless funding mentality must stop and it's well past time to start cutting the bohemoth that has become Oregon government. It's an embarrassment! Let the people be heard!
