Oregon voters have spoken, we do not want this, we cannot afford this. In order to fund ODOT let's stop taking from our hard working middle/low class, who are already living paycheck to paycheck and look at where money is going. Oregon is notorious for "losing" or "reallocating" funds as seen fit with no benefit to its long time residents, let's do a deep audit and find the money to fund ODOT without raising Oregons already unsustainable taxes. I strongly oppose the increase in taxes.
