Committee: Joint Special Committee On Referendum Petition  
2026-302

Measure, Appointment or Topic: SB1599

This initiative needs to be tied to the same voting cycle as the one that applies to the officials who tried to ram it through without taking into account the will of the people.

The opportunity to put it on the May ballot was always an option before the attempt to force it on Oregonians without a vote. Now it needs to be tied to the November ballot in line with that effort.
