Measure, Appointment or SB1599  
Topic:

Democrats have got to STOP playing political games on our citizens. The gas tax repeal initiative got referred by the people fair and square, for the general election in November 2026. You have no business trying to move that to a low vote turnout primary in May. Shame on you. Stop these games and listen to what the people are telling you. There are so many options for shifting ODOT funding to avoid layoffs.

NO on SB 1599. Stop the games.
