Measure, Appointment or SB1599
Topic:

I oppose sb1599 one because we already pay high gas taxes we dont need any higher taxes i drive 180 miles to work and home round trip everyday I would be forced out of work and 2 rushing through this in a special session vote is against oregon constitution it deserves to be on November's election we already know tine koteek is a liar and a cheat and this is just another way to screw oregonians we should have to pay more taxes do to her over spending and constant lawsuits which she wastes our dollars that's now what our taxes dollars are made for its to take care of the states not to start multiple lawsuits to sue the president and that's why we are on the position. We are she put criminals and immigrants over her people and that is a problem
