Measure, Appointment or  
Topic: SB1599

Due to the overwhelming response from Oregon voters on referendum 302 sent a very clear message that the voters want this referendum on the November 2026 ballot. I believe that it is unconstitutional per Oregon law that no changes can be made to the date the referendum is to be voted on. Everyone knows that changing the Election Day will severely diminish voting due to typical early elections results. I ask you to vote NO on referendum 1599 moving 302 to May 19 2026.

Sincerely,  
Scott Waugaman
