Committee: Joint Special Committee On Referendum Petition
2026-302

Measure, Appointment or Topic: SB1599

Please do not subvert the will of Oregonians! Those of us who signed the petition to put the referendum on the ballot did so with the understanding that it would appear on the General election ballot in November. Oregonians deserve to be treated with respect and we don't appreciate partisan political games being played by our representatives. The effort to put this on the May ballot is an attempt to influence the outcome of the election of the candidates who will appear on the November ballot. Oregonians are tired of the tactics being used to silence their opinions and we demand transparency and ethical governance. Thank you.
