2026-302  
Measure, Appointment or  
Topic: SB1599

I oppose this bill. This is a waste of your time and the states limited funds! If Tina wants to move this vote to May, tell her you have important things to get done this session and this bill doesn't pass the priority qualifier for this short session our state congress! Not to mention even considering this bill reeks of political corruption! Let's not become the Democrat version of President Trum!
