I am opposed to SB 1599. I signed the petition to have "the gas tax bill" on the November ballot. This is simply a distraction and a way for the Democrats to try to "rig" the system to have this voted on in May instead of in November. They are hoping that people will not be paying attention and are hoping for low voter turnout so that "the gas tax" bill will not get a no vote and be voted down by the 1000's of people that can't afford this increase.
