I am completely opposed to the democrats and the senate from moving the date of the voting on the referendum from the November ballot. It is yet another attempt of the senate not listening to the people who had overwhelming numbers for opposition of the bill. It's high time you started listening to the people of Oregon, especially those outside of Portland, Salem and Eugene.working with the republicans to come up with a better solution is your way out of the mess you got us into. Voting in November is what is required by law, so do it
