Measure, Appointment or Topic:	SB1599

I oppose SB 1599.

The wants of citizens of Oregon have quickly and clearly spoken with the overwhelming support for the November 2026 ballot gas tax referendum as validated under Oregon law.

Do not change the election date of the gas tax referendum.

The citizens of Oregon must be allowed to have their constitutional voice by allowing them to vote on the ballot measure already approved for the November 2026 election.
