

Submitter: cynthia wahlenmaier

On Behalf Of:

Committee: Senate Committee On Health Care

Measure, Appointment or Topic: SB1598

as an american i believe in freedom and that includes freedom of choice in medical matters...freedom of the doctors to study and form their own opinions regarding treatments and vaccines I will not support any politician or government official that does not vote for our freedoms. It's time to wake up and follow the real science not the interests of profit making and harmful interventions
