The Referendum Petition 2026-302 had signatures gathered and submitted to be on the November 2026 ballot. The Oregon legislators and the Oregon Governor trying to move it to the May 2026 ballot is against what the majority of the Oregon voters want. The Oregon voters want a say in the referendum petition as indicated by the over 250,000 signatures gathered. It is more than apparent that the Oregon Democrat legislators are more worried about a referendum petition that is not popular and voted in the the democrat majority and governor to be on the same ballot where they are on the ballot to be reelected. Stop the BS and keep the Referendum Petition 2026-302 on the November 2026 ballot
