SB1598

It is not the right of a few people to determine the health & wellbeing of all individual peoples. It is my God given right to determine what I put into my body and how I determine my good health. I am against the government, any form of legation, telling me what I have to put into my body to survive on this earth. Please do Not pass legislation that gives my God given rights away. Do not pass SB1598!
