On Behalf Of:	SB 1599
Committee:	Joint Special Committee On Referendum Petition 2026-302
Measure, Appointment or Topic:	SB1599

To whom it may Concern,

I am a resident of Oregon and have been most of my life, The games being played by our Government are ridiculous and not at all warranted You've see This measure is not what we the people want at all Cheating is just wrong and thats whats your doing. Oregon law is clear that the referendum must be on the November ballot. Lawmakers should guarantee that the largest number of Oregon voters possible have a say in whether their taxes go up. You have gone against the Constitution many times by manipulation cheating or Taking away our voice.

Unfortunately, Governor Tina Kotek and the 83rd Oregon Legislative Assembly have a poor track record of listening to Oregonians. This is the fourth attempt to silence Oregonians in the last year. I OPPOSE you Changing the vote date. IT HAS to Be in November. And I also Oppose this measure
