Committee: Joint Special Committee On Referendum Petition
2026-302
Measure, Appointment or
Topic: SB1599

I have lived in Oregon my whole life (70) years). I have never seen the Oregon government ignore the overwhelming opposition to a bill as I did when the Tax bill was passed in the recent special session.

I was one of over 250,000 Oregonians that signed a petition to refer that issue to a vote of the people in the November 3, 2026 election. The date on the petition was not a mistake. It is the will of the people that this vote be on the November 3, 2026 General Election Ballot. Please listen to the Oregon voters this time and vote against SB 1599.

Respectfully submitted,

David Thoman
