This is sooo ridiculous. I know y'all are looking out for your fellow Democrats (generally speaking) but us voters have spoken and this needs to be on the November ballot.

Please do not ignore the will of the people.

Y'all talk about Prez Trump being a "threat to democracy"... this is beyond a threat to democracy, this is purely UNDEMOCRATIC! No "threat", it is not a democracy at all if you go against the will of the people for your own selfish gains!
