Measure, Appointment or Topic: SB1599

I oppose the passage of SB 1599 because it is a dishonest way to treat the voters of Oregon. It is time the Democrat legislators and Governor Kotek to treat the voters of Oregon in a responsible manner and stop trying to change the playing field to continually run the state in a partisan way. The multi billion dollar transportation scheme is a huge expense that the largest number of voters should be allowed to vote on. The November ballot, not the May primary ballot, is when this should be done.
