Committee: Joint Special Committee On Referendum Petition  
2026-302  
Measure, Appointment or Topic: SB1599

I strongly oppose SB 1599, which would move the election date for voters in Oregon from the General Election on November 3rd, 2026 to the Primary Election on May 19th, 2026 and which could potentially disenfranchise voters and which would ultimately subvert the will of the people from not allowing Oregonians to make their voices heard and have the final say by way of voting, either to approve the tax & fee increases or to reject them. We The People of Oregon sent a clear message by submitting three times the required amount of signatures needed for Petition 2026-037 because Oregonians (of all political affiliations) are tired of being unheard, dismissed and overtaxed. So today I am asking ALL committee members to please OPPOSE SB 1599 and to let Oregonians vote in November.

I Thank You for your attention to this matter.
